To whom it may concern,

This letter is to formally certify that Mr. David Abugaber-Bowman has been employed as the Chief Technical Officer at Aiben, Ltd. since May 1, 2025. During his tenure, David has been responsible for ideating, building, and demoing products that leverage generative AI to facilitate document-related workflows.

David has served as the primary developer behind our flagship product, AibenIQ. A demonstration of this product is available at the following address:

<https://www.aiben.io/aibeniq-demo>

Sincerely,

Laurent Tran-Nguyen
Chief Executive Officer, Aiben, Ltd.
